IMPORTANT NOTICE TO ALL HANDLERS

Handlers and hounds must be present at the time of each draw. Hounds not checked in will be marked absent.

HIT packs will be made up by the Secretaries and will include an experienced dog running "for exhibition only" whenever possible.

Individual pack stake entries will be placed in packs by the Secretaries prior to the draw. Individually entered dogs may be added to pre-arranged packs with the agreement of all affected handlers.

Hunt Test Stakes and Hunting Instinct Tests will be included in the same draw. If the hunt test fills, solo and brace stakes may be treated as one run for running order purposes. Two solo stakes, two brace stakes, or one solo and one brace stake may run concurrently in two separate fields as determined by the running order of the draw. Every effort will be made to avoid having pack runs on the two fields concurrently.

Safety of the dogs is our primary concern. Areas used for this event will be totally fenced except around the clubhouse and parking area.

In consideration of others, you will be expected to clean up after your dog. Your cooperation is appreciated!

Alcoholic beverages are permitted on Western Beagle Club grounds, but not during the hunt test hours. Please use discretion in consumption.

Please note there is no running water at this hunt field. Bring sufficient water for your dogs. Bottled water for participants will be available. Portable toilets will be provided.

PLEASE NOTE –

1. No move-ups from the Hunting Instinct Test to the Hunt Test will be accepted for the day on which the PBGV has been marked as passing the HIT. Move-ups the next day will be subject to space availability.
2. The Hunt Test is an off-lead test. No long lines (except as stipulated in the PBGVCA Hunting Rules), leashes, or food may be used once a PBGV is released until the Judges request the dog(s) be picked up (leashed) to remove them from the field.
3. If due to darkness the Monday Tests cannot be completed, they will resume first thing on Tuesday am followed immediately by the draw for the Monday tests.

The tower in Field A is available for watching dogs during runs. The limit is 6 people in the tower at any given time. Individuals can go out to the tower at the start of each run, and may leave the field during the run as long as they walk straight out to the gate or join the gallery on the field WITHOUT INTERFERING WITH HOUNDS THAT ARE ACTIVELY HUNTING AROUND THE TOWER.

The Judges' Procedural Meeting on Sunday evening is open to all to attend, but only judges and field officials (chairman, secretaries, chief marshal) may participate in the discussion.

Food:

Breakfast on the field will be "grab and go" breakfast sandwiches/danish/coffee/juice/hot chocolate/hot tea both days. Lunches will be 2 homemade soups, ham salad/egg salad/tuna salad sandwiches, assorted chips, assorted cookies, pop/water each lunch. Extra pop/water will be available for sale for \$.50. Snacks will be available all day-fresh fruit and trail mixes made by the kitchen crew for those who have purchased our meals. (If you did not pay for the meal plan ahead of time and would like to participate, check with Debbie Martin/Mary Fluke/Paul Urban.)

We plan on having a cookout and party on Monday evening, weather permitting. The clubhouse is not big enough to seat everyone at once, so we'll announce the schedule for lunches at roll call each morning. We are supremely grateful to our wonderful Indiana Hunt Test Kitchen Crew (Debbie Martin, Connie Peterson, Judy Hinkelman) for taking such good care of our food and beverage needs on the field!

Open Run Time:

Open run time is available on Sunday as scheduled and on Monday and Tuesday after all tests are completed. There is a limit of 8 dogs on either field at any given time. Please be courteous and limit your run time to an hour or less so the next person can have a chance. Sign up sheets will be provided to reserve run times. The novice handlers and dogs will have priority during the NLE/PLE run time on Sunday afternoon. Run time on Monday and Tuesday evenings will depend on available time. Priority will be given to novice handlers and dogs (no title, HC, or PCJH only). The chairperson will provide a sign up sheet each afternoon (after lunch).

Driving Directions:

Directions to Western Beagle Club—US 24 from the east or west to 1000 West. Take 1000 West to 250 North. Turn left onto 250 North and go approximately a quarter of a mile. The clubhouse and running grounds will be on the right. If you are using GPS to navigate, be advised that the street address listed is not exactly at the site of the running grounds. The intersection of N. County Rd. 1000 W and W County Rd 250 N is the closest landmark.

Puppy/Novice Learning Experience

The Puppy/Novice Learning Experience will begin with a short lecture presentation on hunting followed by field observation of experienced dogs hunting so that new handlers can get some instructions on how to recognize desirable actions and how the handlers might help the dogs. We are lucky to have access to a tower in the field which allows us to view the dogs at a distance, something that is normally hard to do in the field. There will be a limit of 6 people in the tower at any given time so the PLE/NLE will be limited to 10 handlers (2 groups of 5 at a time for tower observation). Half of the group will be in the field with their dogs and the experienced dogs—the other half will be in the tower for the mentored observation. After a half hour we'll switch groups. Those entering dogs in the HIT are encouraged to sign for the PLE/NLE. After the field observation is complete, the novice dogs will go out on the field with experienced dogs to see if we can get them off to a good start.

Monday Night Cookout and Party

The Midwest Hunt Group (IN, WI, and IL) is sponsoring our Monday night social event, a cookout and party at the clubhouse followed by the ever popular Hunt Test Raffle. Seating in the clubhouse will not accommodate the whole group so we'll have shelters and picnic tables outside, but serious weather will shut us down. If the cookout/party is cancelled due to weather, we'll have the raffle on Tuesday at lunchtime.

SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

For complete rules, see the PBGVCA website [Hunt Test Rules](#)

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petit Basset Griffon Vendéen's of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound.

For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Purpose: The purpose of Hunting Tests for Petit Basset Griffon Vendéens is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hounds hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

Time and Running Order: Running order will be assigned by public "Draw" before the beginning of each test.

Packs may be mixed sexes. Bitches in season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

No hounds shall be put down after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Marshals: It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Other Marshals shall see to it that hounds are ready when called, and assist the Hunting Test Committee in all other matters necessary for the smooth and expeditious running of each Test.

Gallery: No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

Handlers: When hounds are cast, a handler may speak, whistle, sound a horn to his hound or work in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's number. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

Severe Training or Correction: The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

2016 National Hunt Test Raffle

Don't miss our Raffle! Tickets will be on sale up until the drawing during the cookout and party on Monday night (Tuesday lunchtime if the weather is bad). Hunt test raffles are always exciting. Perhaps we'll see the Travelling Pig, or the Smoking Rabbit will make an appearance. Go through your house and look for PBGV related items to put in the raffle. (You'll need to make room for all the great stuff you're going to win!) Take a trip to the pet store for treats and toys, and remember that bottles of wine are always a good prize! The raffle helps to offset the costs of the hunt test so that entry fees remain reasonable, so be creative and bring something you wouldn't mind winning yourself! Raffle info: Michelle Cooke jmcookes@att.net or Mary Fluke drowsymary@gmail.com.
