President's Message

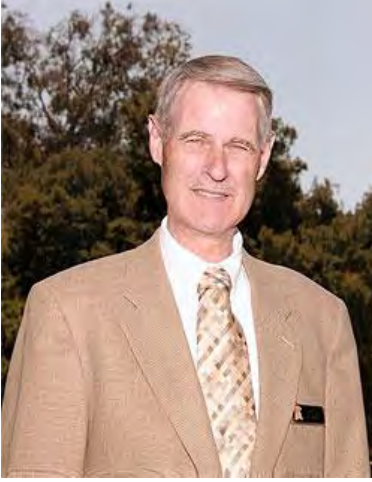

Hello and welcome to Ohio and the 2020 Regional/National. This year has been like no other and I hope we can all be back to normal sometime soon. Please enjoy the show and follow all the regulations that are in place for your safety.

Thank you very much to the Show Chair, Megan Esherick for working tirelessly to have the show in April to then turn around and reschedule for August. She managed the change quickly and gracefully. Thank you to her committee for helping and working so hard to put this event together.

Our Club is here for all of us to enjoy and without the support of the membership we would not be able to have successful shows or events. Thank you for coming and please be safe.

Susannah Cooper
President, PBGVCA

Jon Cole

National Specialty & Junior Showmanship

I am a second-generation dog person who grew up in the world of Sporting, Working, Terrier and Hound breeds as a youngster. As I approached University age, I began breeding and showing Bull Terriers (under the Kennel Name Bejobos) in the 60's and 70's. Our breeding program was quite successful allowing us to breed and finish a number of Champions winning Groups and BIS's. A few years later, we became interested in Bedlingtons. As with the Bull Terriers, the Bedlingtons proved very successful for my wife and I in the show ring. As time passed other breeds entered our lives - West Highland

White Terriers, Smooth Fox Terriers, Shih Tzu, Greyhound, Schipperkes, French Bulldogs and Miniature Bull Terriers.

I began judging Terriers in 1971. I have been granted approval, in the United States, for All Breeds. I now judge extensively throughout the year, and do not show or breed dogs any more. My judging has taken me to all parts of the United States, as well as, Canada, Mexico, South America, Australia, New Zealand, Africa, the Far East, Russia and Europe.

Judging has given me the opportunity to meet wonderful people all over the world, and see the types of dogs they breed and show.

Susannah Cooper

National Puppy & Veterans Sweeps

I have been very active in the Club since becoming involved with the breed in 1997, and served on the board as the Recording Secretary, Corresponding Secretary and President. I regularly attend the national specialties and enjoy seeing old friends and making new ones each year. I was truly honored when I was chosen by the membership to judge sweepstakes at the 2012 Regional Specialty and am so excited to do it again for the 2020 National Specialty. I really enjoy seeing so many lovely puppies.

I have shown in conformation since I began in the breed, and most of my dogs have been finished owner-handled by me. I met the breed through my friend, and horse trainer at the time. Her father was a professional handler and was showing a PBGV.

I was instantly in love with the breed and had to have one. I have had many more than one since then and really enjoy having my house full of these fabulous hounds. My first litter was born in 2012 with the assistance of co-breeders Sandy Bustin and Diana Sadler. I am honored that four of those puppies have finished their AKC championships, garnering WD at the 2013 PBGVCA National and additional titles in performance events along the way. I also am proud to be an AKC Breeder of Merit. On a personal note, I was born in New York but have lived in many different states and Canada due to my family's involvement in the hotel business. After getting my bachelor's degree from the University of Western Ontario in London, Ontario, I worked in the hotel business in Canada before moving back to California in 1995. Professionally, I am an Executive Administrator with more than 25 years of experience working for very large publicly traded companies as well as smaller private companies and startup companies.

Jeff Lentsch

Regional 4-6 Month Puppy

Thank you for the opportunity to judge the 4-6 Month Puppy Confirmation class at the PBGV Regional Specialty. This is an honor to be considered for this assignment and a privilege to see the next generation of young dogs and bitches entering the confirmation ring.

I have been breeding and exhibiting dogs since the early 1990's. My initial breed was Pointers, which turned into Pointers and a PBGV shortly after that. In 1999 I was exposed to Rhodesian Ridgebacks, and that has been my breed ever since.

I was introduced to PBGV's through a good friend and developed an affection for the breed. Through this friendship I have become acquainted with many of the breeders in the North East U.S. and had the opportunity to learn a great deal about the breed from them. A fond memory that I have from my early days is when I attended the benched show, The National Dog Show, in Philadelphia and talking to many of the spectators about the breed. Many people had never seen a PBGV and were very curious to learn about this dog with the tousled coat and happy, outgoing personality. Over the years I have had the opportunity to exhibit several different Petits, including completing the Championship on two of them. I have also held the position of Chief Course Builder for many years at the Fall Agility trial that the Mid-New Jersey PBGV Club holds. Over the years I have been very fortunate to have met many of the breeders and exhibitors in the North East region and always felt comfortable to be able to ask any question that I may have about the breed. I have been mentored my several of the long- term breeders and have judged PBGV sweepstakes in the past.

I am currently an approved AKC Judge and have bred and exhibited Rhodesian Ridgebacks for over 20 years under the kennel name Dimond Rhodesian Ridgebacks. I have bred and finished over 100 breed Champions in Conformation and participated in obedience, agility, and lure coursing.

I am currently a member of the Rhodesian Ridgeback Club of the U.S., The Greater Valley Forge Rhodesian Ridgeback Club, Burlington County Kennel Club, and Gloucester County Kennel Club.

Carolyn Martin

Scent Work

I'm a retired teacher who has truly gone to the dogs. I have taught obedience for my kennel club for years, shown in agility, AKC and ASCA herding, WCRL , AKC, and CWAGS rally, Barn Hunt, Happy Ratters, and AKC, UKC, NACSW, and CWAGS scent work. I currently have two therapy dogs who act as reader dogs at an elementary school and I'm a 4H canine adviser.

I am a current judge for WCRL rally, CWAGS scent and rally, AKC scent, and I'm an AKC farm dog evaluator. I have shown a Sheltie, a Lhasa Apso, Pembroke Welsh Corgis, a Poodle, and a number of Border Collies. I share my home with four Border Collies, twenty-eight rats, and one husband.

Ron McClelland

Regional & National Agility

Ron McClelland has been involved with dogs in some capacity or other for his entire life. When he was a child his family always had dogs as pets and family members. His became a part of the "Dog Fancy" in 1986 when he obtained his first "show dog" a Great Pyrenees. Not knowing entirely what he was getting into, Ron began training and showing his dogs in Obedience and Conformation. With a great desire to learn as much

as possible about these dogs and the world of dog shows, Ron became active in his local training club and, over the years, also joined the Heart of Ohio Great Pyrenees Club, the Great Pyrenees Club of America, the Buckeye Australian Shepherd Club, Australian Shepherd Club of America, and the United States Australian Shepherd Club. Through his years of service with these clubs Ron has served on the board of directors and as President of the HOGPC from 1992-95, and chairman of the Great Pyrenees Club of America Nation Specialty in 1995. Ron has also been an active member of Columbus All Breed Training Club since 1986. He has served as an instructor since 1992, on the Board of trustees and as President from 2007-2016. In 1994 Ron married into a family of Australian Shepherds and from there his horizons expanded into the world of Agility. Once bitten by the agility bug, Ron never turned back and he became active in showing and training and showing the Aussies.

In addition to competing in Agility, he continued in the Obedience and Conformation rings with his wife Cecilia Connair and her Claddagh Australian Shepherds. Over the years they put agility, obedience and conformation titles on their dogs in both AKC and ASCA.

Ron has been an AKC agility judge since 2007 and has been fortunate to travel across the country in this capacity. He greatly enjoys watching dogs and handlers work together to navigate the challenges that the course of the day presents. He always tries to create courses that are flowing while being both fun and challenging.

In June of 2017, after 38 years as a band director and music teacher, Ron retired so that he could devote all of his time and energy to his dogs and preserving the legacy of his wife Cecilia who passed away unexpectedly in 2016. He lives just outside of Baltimore, Ohio and keeps busy by training and caring for his 10 Australian Shepherds. He considers it a great honor to be asked to judge agility trials for local clubs and especially for National Specialties.

Deirdre Rahn

National 4-6 Month Puppy

Deirdre Doherty-Rahn grew up watching her mother and grandmother show terriers while she focused on horse shows with her father. In 1989 when she met her husband, she became an active member of the dog show world, first exhibiting and breeding Dalmatians.

She has apprenticed and professionally handled in the hound, terrier, herding, sporting, and working groups. She and her husband have bred and exhibited many best in show, group winning/placing, and Specialty and National Specialty winners in all three of their breeds, Dalmatians,

German Shorthaired Pointers, and Bloodhounds.

Deirdre has dedicated her life to the sport of purebred dogs as a handler, breeder, performance participant, and now as an AKC judge. In 2018, Deirdre and her husband were inducted into the American Bloodhound Club Hall of Fame as Breeders of Merit. Only 17 breeders have achieved this distinction since its inception in 1986.

Debbie Thurston Regional & National Scent Work

I spent over 15 years in the conformation show world as an owner handler. Following my dog's two rear leg surgeries in a six month period, I decided it was time to slow down and find another interest. I entered the world of scent work five years ago and only have one regret...I wish I would have started this fun

performance sport sooner.

I am in my fifth year of attending nose work training and have competed under CWAGS, UKC, and AKC, earning nearly 40 titles...all in nose/scent work. This is a sport that I am extremely passionate about and love to share. My passion for this sport has grown to instructing class 2-3 times a week and becoming an AKC, CWAGS, and CPE judge.

A Brief History of the PBGV Club of America

by Jane Swanson

“Morebess Raymond le Rebelle” was the model for the club logo drawn by Vickie Kwasny. Raymond was from the first litter bred in Denmark by Per Knudsen in 1978. Declared the best show dog Knudsen had ever seen, Raymond won all over Europe, achieved many titles and Best in Shows and sparked demand for the breed in several countries.

Jackie Balog, George and Betty Barth, Sue and Bill Barton, Barbara Cromley, Geraldine Cross, Marc Delanier, Pat Fellman, Barbara Galbraith, Heidi Martin, Louisa Myers, Mary Jo Shield, Anne Snelling, Kitty Steidel, Sally Sweatt and Barbara Wicklund — met during AKC’s Centennial Celebration in Philadelphia with the intention of forming a national breed club for PBGVs.

With a stated mission to protect and promote this rough-coated French hound, the Petit Basset Griffon Vendéen Club of America was formed. Elected officers were Kitty Steidel, president; Barbara Cromley, 1st vice president; George Barth, 2nd vice president; Marc Delanier, secretary; and Bob Booth, treasurer. Bill Barton, Cross, Fellman, Galbraith, Miller and Wicklund were selected as board members. A letter was sent to AKC announcing the club’s intention to seek recognition for the breed. During its first year, membership increased from those initial few to 50, a standard was devised, a constitution and by-laws were adopted and a national registry and studbook were set up. Four months after that initial meeting, 15 PBGVs competed in the club’s first match held in Kentucky on March 16, 1985. Breed interest continued to soar, especially after ABC television reporter Roger Caras bought a PBGV and took it on “Good Morning America.”

By the time the PBGV was accepted to AKC’s Miscellaneous Class on July 1, 1989, club membership had grown to 126 and an annual specialty show was being held. On Aug. 14, 1990, the AKC Board approved the PBGVCA’s bid to register its dogs in the AKC Stud Book beginning Dec. 1, 1990. The breed became the 131st breed to be registered and the 24th member of AKC’s Hound Group, and became eligible to compete for AKC points in February 1991. By then club membership had risen to nearly 200, a number that was almost doubled for the club’s 25th Anniversary Celebration which was held in conjunction with its 2010 national specialty in St. Louis.

By Jane Swanson

Interest in the Petit Basset Griffon Vendéen in the United States was sparked in 1983 when George and Betty Barth entered Alexander, a 90-day-old PBGV puppy they had purchased in Canada less than a week earlier, in the New Jersey “Super Match” sponsored by the Professional Handler and Owner Handler Associations. Entered as a rare breed, Alex ended up winning Best Puppy in Match, and sparks from that one event turned into a wildfire of interest as Alex’s photo and stories about the breed hit the national canine publications.

Kitty Steidel had seen Alex at the match and later saw some PBGVs owned by members of the Basset Hound Club in Denmark. After doing much breed research and speaking to several others who were equally intrigued by the PBGV, it was decided time was ripe to form a club for the breed in the United States. On Nov. 19, 1984, just a shade more than a year after Alex won that match, 17 people from eight states and Canada —

AKC PBGV STANDARD

GENERAL APPEARANCE

The Petit Basset Griffon Vendéen is a French scent hound developed first and foremost to hunt small game over the rough and difficult terrain of the Vendéen region. To function efficiently, he must be equipped with certain characteristics. He is bold and vivacious in character; compact, tough and robust in construction. He has an alert outlook, lively bearing and a good voice freely and purposefully used.

The most distinguishing characteristics of this bold hunter are: his rough, unrefined outlines; his proudly carried head displaying definitive long eyebrows, beard, and moustache; his strong, tapered tail carried like a saber, alert and in readiness. Important to breed type is the compact, casual, rather tousled appearance, with no feature exaggerated and his parts in balance.

Any deviation from the ideal described in the standard should be penalized to the extent of the deviation. Structural faults common to all breeds are as undesirable in the PBGV as in any other breed, regardless of whether they are specifically mentioned.

SIZE, PROPORTION, SUBSTANCE

Size – PBGVs measure between 13 and 15 inches at the withers. Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older.

Proportion - When viewed in profile, the body is somewhat longer than tall when measured from point of shoulder to buttocks, as compared to the height from withers to ground.

Substance - Strong bone with substance in proportion to overall dog.

Head – The head is carried proudly and, in size, must be in balance with the overall dog. It is longer than its width in a ratio of approximately two to one. A coarse or overly large head is to be penalized.

Expression - alert, friendly and intelligent.

Eyes - large and dark with good pigmentation, somewhat oval in shape, showing no white. The red of the lower eyelid should not show. The eyes are surmounted by long eyebrows, standing forward, but not obscuring the eyes.

Ears - supple, narrow and fine, covered with longhair, folding inward and ending in an oval shape. The leathers reach almost to the end of the nose. They are set on low, below the line of the eyes. An overly long or high-set ear should be penalized.

Skull - domed, oval in shape when viewed from the front. It is well cut away under the eyes and has a well-developed occipital protuberance. Stop clearly defined.

Muzzle – The length of the muzzle from nose to stop is slightly shorter than the length from the stop to occiput. The underjaw is strong and well-developed.

Nose - black and large, with wide nostrils. A somewhat lighter shading is acceptable in lighter colored dogs. A butterfly nose is a fault. **Lips** - The lips are covered by long hair forming a beard and moustache.

Bite - It is preferable that the teeth meet in a scissors bite, but a level bite is acceptable.

NECK, TOPLINE, BODY

Neck –The neck is long and strong, without throatiness, and flows smoothly into the shoulders.

Topline – The back is visibly level from withers to croup. There is a barely perceptible rise over a strong loin. Viewed in profile, the withers and the croup should be equidistant from the ground.

Body muscular, somewhat longer than tall. Compact, casual in appearance, with no feature exaggerated and his parts in balance. Chest rather deep, with prominent sternum. Ribs moderately rounded, extending well back. Loin short, strong, and muscular. There is but little tuck-up.

Tail - of medium length, set on high, it is strong at the base and tapers regularly. It is well furnished with hair, has but a slight curve and is carried proudly like the blade of a saber; normally pointing at about two o'clock. In a curved downward position the tip of the tail bone should reach no further than the hock joint.

FOREQUARTERS - Shoulders clean and well laid back. Upper arm approximately equal in length to the shoulder blade. Elbows close to the body.

Legs – The length of leg from elbow to ground should be slightly more than half the height from withers to ground. Viewed from the front, it is desirable that the forelegs be straight, but a slight crook is acceptable. In either case, the leg appears straight, is strong and well boned, but never coarse nor weedy. Improperly constructed front assemblies, including poor shoulder placement, short upper arms, out at elbows, lack of angulation and fiddle fronts, are all serious faults. Pasterns strong and slightly sloping. Any tendency to knuckle over is a serious fault. Dewclaws may, or may not, be removed.

Feet - not too long, between hare and cat foot, with hard, tight pads. The nails are strong and short.

HINDQUARTERS - Strong and muscular with good bend of stifle. A well-defined second thigh. Hips wide, thighs well-muscled. Hocks are short and well angulated, perpendicular from hock to ground. Feet are as in front. Except that they must point straight ahead.

COAT - The coat is rough, long without exaggeration and harsh to the touch, with a thick shorter undercoat. It is never silky or woolly. The eyes are surmounted by long eyebrows, standing forward but not obscuring the eyes. The ears are covered by long hair. The lips are covered by long hair forming a beard and moustache. The tail is well furnished with hair. The overall appearance is casual and tousled.

The rough, unrefined outline and tousled appearance of this rustic hunting hound is essential. Any sculpting, clipping, scissoring or shaping of the coat is contrary to PBGV breed type. The PBGV coat should be clean, neatened as necessary, but always remain casually disarrayed. Any deviation from the ideal described here and in the General Appearance Section of the official standard should be penalized to the extent of the deviation.

COLOR - White with any combination of lemon, orange, black, sable, tricolor or grizzle markings, providing easy visibility in the field.

GAIT - The movement should be free at all speeds. Front action is straight and reaching well forward. Going away, the hind legs are parallel and have great drive. Convergence of the front and rear legs towards his center of gravity is proportional to the speed of his movement. Gives the appearance of an active hound, capable of a full day's hunting.

TEMPERAMENT - Confident, happy, extroverted, independent yet willing to please, never timid nor aggressive.

DISQUALIFICATION - Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older.

AKC CODE OF SPORTSMANSHIP

PREFACE: *The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

The first book in a series about Saber

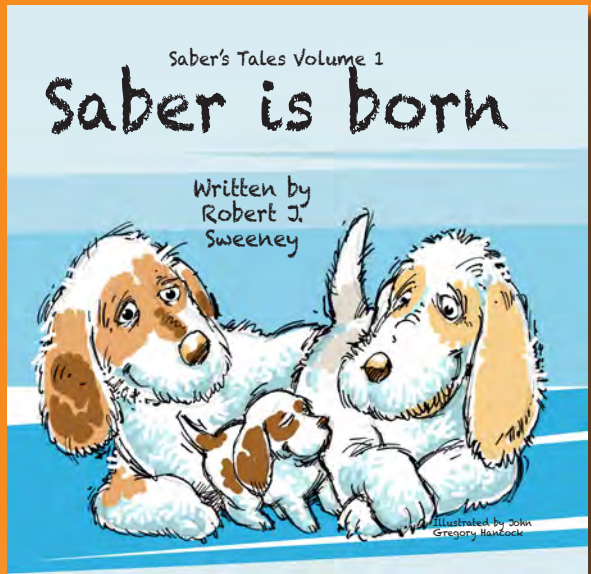

Meet Saber, a PBGV whose front legs did not look like the other puppies when he was born.

Raised by parents who are proud of him, adored by his brothers and sisters, and loved by the humans he meets, Saber discovers that he can do whatever he puts his mind to do, even if that means standing out from the crowd. His

most important lesson, however, is that everyone is different. Everyone has strengths. Everyone has challenges. Being different does not make you less.

Follow him throughout the series while he, among other things, learns to hunt, goes to physical therapy, excels in scent work, confronts bullies and helps two humans overcome their fear of animals..

THE SECOND BOOK IS COMING SOON!

Saber learns a valuable lesson from his siblings: Kindness is caring.

Read about how he copes with his anxiety through the help of others.
