CLASSES AND DIVISIONS

Classes offered for Standard and JWW.

There are no FAST classes offered at this trial

Time 2 Beat will be offered both days

Regular - Novice A & B, Open, Excellent, Master

Preferred - Novice, Open, Excellent, Master

Please see the AKC Regulations for Agility Trials for current class descriptions. Dogs must be entered only in Regular Classes or Preferred Classes with no crossover between them allowed at the same set of trials.

To help resolve the conflict that has occurred over the years with Excellent A and Excellent B classes, which are two distinctly different classes, we are renaming them to match the names of the titles that are earned from those two, different classes. The requirements to qualify are different in each of those classes as are the titles earned when they complete the title requirements.

In an effort to eliminate this confusion, as of January 1, 2013 the name of the Excellent A class will change to "Excellent" and the name of the Excellent B class will change to "Master." Please note that only the name is changing. The classes themselves and the titles earned remain the same.

HEIGHT DIVISIONS

Owners/Agents are responsible for entering the proper height divisions. All height divisions will be offered in both the standard classes and the jumpers with weaves classes.

Regular Exhibitors may choose to enter their dog in a higher height division than required by AKC, but not in a height division lower than the AKC mandated height

Preferred The following jump heights **must** be used in all Preferred Classes.

	REGULAR	PREFERRED
Dogs 11 inches and under at the withers	8 inches	4 inches
Dogs 14 inches and under at the withers	12 inches	8 inches
Dogs 18 inches and under at the withers	16 inches	12 inches

MEASURING

If you have never been measured for a permanent AKC jump height card, you can still enter any AKC Agility Trial.. All jump heights **MUST** be measured unless you have a valid height card. If you do have a permanent jump height card from the AKC, you must send in a copy with your entry form

If there is no official measurer at the trial, you will be measured by the judge for that trial only.

If your dog measures lower at the trial, you cannot move your dog down in jump height for that trial unless it is entered in the Preferred class. If your dog measures higher than the class you originally entered, you must notify the trial secretary and show your dog in the higher jump height for that trial and subsequent shows.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners SM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
