SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

- Hunting Tests shall be open to all AKC registered, PAL or ILP registered Petits Bassets Griffons Vendéens of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.
- No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Test's Secretary.
- Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplement entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound. For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.
- At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each stake run judged, showing full particulars of all dogs judged.
- A certificate awarding the Title earned will be given to each hound by PBGVCA, on request.
- The purpose of Hunting Tests for Petits Bassets Griffons Vendéens is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hound's hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.
- Running order will be assigned by a random "Draw" before the beginning of each test.
- Packs may be mixed sexes. Bitches in season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.
- No hounds shall be put down after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.
- **Marshals:** It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Other Marshals shall see to it that hounds are ready when called, and assist the Hunting Test Committee in all other matters necessary for the smooth and expeditious running of each Test.
- **Gallery:** No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.
- **Handlers:** When hounds are cast, a handler may speak, whistle, sound a horn to his hound or work in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands.
- Hounds must wear a flat collar. It shall be well-fitting with nothing hanging from it. Hounds in the packs must wear clearly visible collars of different colors. The Judges' score sheets will have this collar color noted.
- No owner or handler shall have any right to question or refuse to follow the Judges' orders.
- Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.
- **Severe Training or Correction:** The Hunting Test Committee and the Judges shall not permit severe training, correcting or disciplining of hounds on any part of the grounds. The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club.

IMPORTANT NOTICE TO ALL HANDLERS

- No alcoholic beverages are permitted at the clubhouse or on the club grounds.
- These grounds have a rough terrain, please use caution, a walking stick is suggested.
- Safety of the dogs is our primary concern. Areas used for this event will be totally fenced
- In consideration of others, you will be expected to clean up after your dog. Your cooperation in this matter is appreciated!
- Please take time to familiarize yourself with the Hunt Rules available at PBGV.org
- No move-ups from the Hunting Instinct Test to the Hunt Test will be accepted for the day on which the PBGV has been marked as passing the HIT.
- If due to darkness the Sunday Tests cannot be completed, they will resume first thing on Monday morning followed immediately by the draw for the Monday hunt tests.
- Handlers must be present at the time of the draw.
- Hounds will be checked in at the draw but need not be present at the draw.
- Hounds not checked in will be marked absent.
- Runs are limited to a maximum of 11 runs per field per day, with a maximum of two solo and two brace runs per field. If any stake over fills and postal cancelation dates are the same, a random drawing for that stake will take place to see which dog or dogs will take that stake. If the stake you entered is not available after the random drawing you will be notified and given the chance to change to any still open stake.
- Hunt collars will be available for this hunt. A deposit of \$10.00 will be required per collar. The deposit will be refunded when the collars are returned after the run.
- We will be running two hunt fields at the same time. Hounds assigned to **Field A** on the 1st day will be assigned to **Field B** the 2nd day and hounds assigned to **Field B** the 1st day will be assigned to **Field A** on the 2nd day. The hounds will be placed in “pack” groups, each group will have a temporary “run” letter, A, B, C, D, etc., and a group can be a brace or solo. There will be two sets of groupings, one for **Field A** and one for **Field B**. An effort will be made to match stakes on both fields; if Group A on **Field A** is a brace then we will assign a brace to Group A on **Field B**, if possible.
- Running order will be determined by a random draw after roll call. Group A hounds from both fields will receive the same randomly drawn run number. A random run number will be drawn for each of the remaining groups.
- Each **Field** will have a “White Board” listing running order, Group letter, Stake, Call Names, Handler Name, Judges Names, and Marshal Name. The “White Board” will be re-arranged in running sequence for all to monitor as the runs progress throughout the day.
