A BRIEF HISTORY OF THE PBGVCA by Jane Swanson

Interest in the PBGV in the United States was sparked in 1983 when George and

Betty Barth entered Alexander, a 90-day-old PBGV puppy they had purchased less than a week earlier, in a New Jersey "Supermatch" sponsored by the Professional Handlers and Owner Handlers Associations. Entered as a rare breed, Alex won Best Puppy in Match and sparks turned into a wildfire as Alex's photo and stories about the breed hit the national canine publications.

Kitty Steidel had seen Alex at the match and later saw some Petits owned by members of the Basset Hound Club in Denmark. After doing much breed research and speaking to several others who were equally intrigued by the PBGV, it was decided time was ripe to form a club for the breed in this country.

On Nov. 19, 1984, just a shade more than a year after Alex won that match, 17 people from eight states and Canada — Sue and Bill Barton, Louisa Myers, George and Betty Barth, Geraldine Cross, Anne Snelling, Barbara Cromley, Heidi Martin, Mary Jo Shield, Jackie Balog, Sally Sweatt, Marc Delanier, Barbara Wicklund, Garbara Galbraith, Pat Fellman and Kitty Steidel — met during AKC's centennial celebration in Philadelphia. With a stated mission to protect and promote the roughcoated French hound, the Petit Basset Griffon Vendéen Club of America was formed.

Officers elected were Kitty Steidel, president; Barbara Cromley, 1st vice president; George Barth, 2nd vice president; Marc Delanier, secretary; and Bob Booth, treasurer. Bill Barton, Cross, Fellman, Galbraith, Miller and Wicklund were selected as board members. A letter was sent to AKC announcing the club's intention to seek recognition for the breed.

During its first year, membership increased from the initial few to 50, a standard was devised, a constitution and by-laws were adopted and a national registry and stud book were set up. Four months after that initial meeting, 15 Petits competed in the club's first match in Kentucky on March 16, 1985. Breed interest continued to soar, especially after ABC television reporter Roger Caras bought a Petit and took it on "Good Morning America." When the Petit was accepted to AKC's Miscellaneous Class on July 1, 1989, club membership had grown to 126 and an annual specialty show was being held. On Aug. 14, 1990, AKC's board approved the PBGVCA's bid to register its dogs in the AKC Stud Book beginning Dec. 1, 1990. The breed became the 131st breed to be registered and the 24th member of AKC's Hound Group, and was eligible to compete for AKC points as of Feb. 1991. By then club membership had risen to nearly 200, a number that has almost doubled for the club's 25th Anniversary celebration in St. Louis.

Information taken from "Bienvenue le Petit Basset Griffon

"Morebess Raymond le Rebelle" was the model for the club logo drawn by Vickie Kwasny. Raymond was from the first litter bred in Denmark by Per Knudsen in 1978. Declared the best show dog Knudsen had ever seen, Raymond won all over Europe, achieved many titles and Best in Shows and sparked demand for the breed in several countries.

Information taken from "Bienvenue le Petit Basset Griffon Vendéen" by Dominique Davis, AKC Gazette, Feb. 1991, and the book *Understanding the Petit Basset Griffon Vendéen* with permission of its author, Kitty Steidel.

8 2010 PBGVCA Central Regional and National Specialties Catalog

Petit Basset Griffon Vendéen Breed Standard

General Appearance - The Petit Basset Griffon Vendéen is a French scent hound developed first and foremost to hunt small game over the rough and difficult terrain of the Vendéen region. To function efficiently, he must be equipped with certain characteristics. He is bold and vivacious in character; compact, tough and robust in construction. He has an alert outlook, lively bearing and a good voice freely and purposefully used. The most distinguishing characteristics of this bold hunter are: his rough, unrefined outlines; his proudly carried head displaying definitive long eyebrows, beard, and moustache; his strong, tapered tail carried like a saber, alert and in readiness. Important to breed type is the compact, casual, rather tousled appearance, with no feature exaggerated and his parts in balance. Any deviation from the ideal described in the standard should be penalized to the extent of the deviation. Structural faults common to all breeds are as undesirable in the PBGV as in any other breed, regardless of whether they are specifically mentioned. **Size, Proportion, Substance** - **Size** -- Both sexes should measure between 13 and 15 inches at the withers. Height of adult dogs over 15 inches or under 13 inches at the withers is a disqualification. **Proportion** -- When viewed in profile, the body is somewhat longer than tall when measured from point of shoulder to buttocks, as compared to the height from withers to ground. **Substance** - Strong bone with substance in proportion to overall dog. **Head** - The head is carried proudly and, in size, must be in balance with the overall dog. It is longer than its width in a ratio of approximately two to one. A coarse or overly large head is to be penalized. **Expression** alert, friendly and intelligent. **Eyes** large and dark with good pigmentation, somewhat oval in shape, showing no white. The red of the lower eyelid should not show. The eyes are surmounted by long eyebrows, standing forward, but not obscuring the eyes. **Ears** supple, narrow and fine, covered with long hair, folding inward and ending in an oval shape. The leathers reach almost to the end of the nose. They are set on low, below the line of the eyes. An overly long or high-set ear should be penalized. **Skull** domed, oval in shape when viewed from the front. It is well cut away under the eyes and has a well developed occipital protuberance. **Stop** clearly defined. **Muzzle** - The length of the muzzle from nose to stop is slightly shorter than the length from the stop to occiput. The underjaw is strong and well developed. **Nose** black and large, with wide nostrils. A somewhat lighter shading is acceptable in lighter colored dogs. A butterfly nose is a fault. **Lips** - The lips are covered by long hair forming a beard and moustache. **Bite** - It is preferable that the teeth meet in a scissors bite, but a level bite is acceptable. **Neck, Topline, Body** - **Neck** - The neck is long and strong, without throatiness, and flows smoothly into the shoulders. **Topline** - The back is visibly level from withers to croup. There is a barely perceptible rise over a strong loin. Viewed in profile, the withers and the croup should be equidistant from the ground. **Body** muscular, somewhat longer than tall. Compact, casual in appearance, with no feature exaggerated and his parts in balance. **Chest** rather deep, with prominent sternum. **Ribs** moderately rounded, extending well back. **Loin** short, strong, and muscular. There is but little tuck-up. **Tail** of medium length, set on high, it is strong at the base and tapers regularly. It is well furnished with hair, has but a slight curve and is carried proudly like the blade of a saber; normally pointing at about two o'clock. In a curved downward position the tip of the tail bone should reach no further than the hock joint.

Thanks Barbara & Gary!
(Polygor PBGVs)

...for breeding these wonderful dogs
and allowing me the pleasure of owning & loving them!

-Kathy & Hounds

Forequarters - Shoulders clean and well laid back. *Upper arm* approximately equal in length to the shoulder blade. *Elbows* close to the body. **Legs** - The length of leg from elbow to ground should be slightly more than ½ the height from withers to ground. Viewed from the front, it is desirable that the forelegs be straight, but a slight crook is acceptable. In either case, the leg appears straight, is strong and well boned, but never coarse nor weedy. Improperly constructed front assemblies, including poor shoulder placement, short upper arms, out at elbows, lack of angulation and fiddle fronts, are all serious faults. *Pasterns* strong and slightly sloping. Any tendency to knuckle over is a serious fault. *Dewclaws* may, or may not, be removed. **Feet** not too long, between hare and cat foot, with hard, tight pads. The nails are strong and short. **Hindquarters** - Strong and muscular with good bend of stifle. A well-defined second thigh. Hips wide, thighs well muscled. Hocks are short and well angulated, perpendicular from hock to ground. Feet are as in front. Except that they must point straight ahead. **Coat** - The coat is rough, long without exaggeration and harsh to the touch, with a thick shorter undercoat. It is never silky or woolly. The eyes are surmounted by long eyebrows, standing forward but not obscuring the eyes. The ears are covered by long hair. The lips are covered by long hair forming a beard and moustache. The tail is well furnished with hair. The overall appearance is casual and tousled. The natural, casual and tousled appearance of the breed is vitally important. While some neatening is occasionally necessary, he should be shown naturally. Dogs whose coat has been altered by excessive grooming, sculpting, clipping, or by artificial means shall be so severely penalized as to be effectively eliminated from competition. **Color** - White with any combination of lemon, orange, black, sable, tricolor or grizzle markings, providing easy visibility in the field. **Gait** - The movement should be free at all speeds. Front action is straight and reaching well forward. Going away, the hind legs are parallel and have great drive. Convergence of the front and rear legs towards his center of gravity is proportional to the speed of his movement. Gives the appearance of an active hound, capable of a full day's hunting. **Temperament** - Confident, happy, extroverted, independent yet willing to please, never timid nor aggressive. **Disqualification** Height, of both sexes at one year of age or older, over 15 inches or under 13 inches at the withers is a disqualification. **Approved July 12, 2005 Effective August 31, 2005**

SCHEDULE OF POINTS EFFECTIVE MAY 12, 2011									
For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows									
The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety. If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points. If the dog designated Winners Dog or Winner Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points. After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

BEST OF BREED COMPETITION

(No defeated dogs will be allowed to compete)

The following categories of dogs may be entered and shown in Best of Breed competition: Dogs that are Champions of Record. Dogs which according to their owners records have completed the requirements for a championship but whose championships are unconfirmed. The entry and showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a championship according to the owner's records. If, at the end of the 90 day period, the championship of a dog has not been confirmed by AKC, no further entries of the dog for Best of Breed competition are to be made until its championship has been confirmed by AKC.

NON-REGULAR CLASSES INVOLVING SINGLE DOG ENTRIES

Veteran Classes - Class for Dogs and Class for Bitches 7 years old and over.

Hunt Class will be for dogs who have passed the Hunting Instinct Test and/or been awarded a leg at a PBGVCA sponsored hunt. The class will be judged by how well they represent the ideal of the breed standard.

NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES

Stud Dog Class - Will be for Stud Dogs and two of their Get. Stud Dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. Owner of Stud Dog need not necessarily be owner of the Get. Get only to be judged, based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Get must be entered in a Regular Class, Best of Breed Competition, or some other Non-Regular Class. **\$30.00 entry fee.**

Brood Bitch Class - Will be for Brood Bitches and two of their Produce. Brood Bitches must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. Owner of Brood Bitch need not necessarily be owner of the Produce. Produce only to be judged, based on the merits of the Produce. While the merits of the Brood Bitch are not to be considered in the placement of the entry, the Brood Bitch must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Produce must be entered in a Regular Class, Best of Breed Competition, or some other Non-Regular Class. **\$30.00 entry fee.**

Brace Class - The dogs comprising a Brace MUST be named at the time of entry (Two, identical ownership and will require **\$30.00** entry fee for the Brace as a Unit). If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class Only", fee is \$15.00 per dog. In making entries for "Brace Class Only" full particulars must be given for each dog on individual regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace MUST be marked accordingly in the space provided for Additional Classes, "Brace Class". If more than one Brace is entered by the same owner, the dogs comprising EACH Brace must be so designated "Brace No. 1, Brace No. 2", etc.

Team Class - The Team class is for four dogs of the same breed having identical ownership. The dogs comprising the team must be named at the time of entry. Full particulars must be given for each dog on an individual entry form. If a dog that is to be part of a team is entered in another class and entered as part of a team, specify "Team Class" in Additional Classes section of the form. If a dog is not entered in another class, specify "Team Class Only" (**\$30.00 entry fee for Team Class only - per dog**) in the Dog Show Class section of the form. An entry form for a dog entered in another class and entered as part of a Team MUST be marked accordingly in the space provided for Additional Classes, "Team Class". If more than one Team is entered by the same owner, the dogs comprising EACH Team must be so designated "Team No. 1, Team No. 2", etc.

Pack Class (Nat. Specialty Only) - The pack consists of an entry of at least 6 dogs that are all bred, co-bred, owned or co-owned by the exhibitor. The entry is made in the name of the kennel represented by the dogs as well as the exhibitor's name(s). The dogs are brought in the ring by up to 2 handlers, one of which *must* be the named exhibitor. The dogs will be judged on a point system with 120 being the maximum. Half the points (60) are allotted for how well the pack corresponds to breed type, and the other half (60) are allotted on size (30) and color (30) of the whole. The dogs are judged as a pack rather than as individuals; since they are judged on type, size and color as a whole, they are not gaited. All dogs judged in the pack class must be entered in the regular classes. The judges shall choose one winner. An entry form for a dog entered in another class and entered as part of a Pack MUST be marked accordingly in the space provided for Additional Classes, "Pack Class". If more than one Pack is entered by the same owner, the dogs comprising EACH Pack must be so designated "Pack No. 1, Pack No. 2", etc. **Entry Fee is \$30.00 per Pack.**

Three Generation Pedigree Class - Each entry will consist of 3 specified PBGV's, dogs and/or bitches from 3 different generations, e.g. sire-daughter-grandson, in any combination as long as they are direct descendants. The 3 generations need not be consecutive. All 3 dogs must be bred, co-bred, owned or co-owned by the exhibitor. All three will be listed in the catalog. The entry is judged as a unit, with no one outstanding individual outweighing the quality of the others. All are judged on how well they represent the ideal of the breed standard, quality and consistency. The quality of each generation should meet or exceed that of the previous generation. The judge shall choose one winner. **Entry Fee \$30.00 per Unit. National Only.**

Award of Merit (Regional & National) -After Best of Breed, Best of Winners, Best Opposite Sex, Select Dog & Bitch are judged, the remaining dogs in the ring will stay (including Best of Opposite Sex, Winners Dog & Winners Bitch,) for the judge to award Awards of Merit to no more than 10% of the Best of Breed entry. Each dog will receive a Rosette.

Obedience and Rally Trial Classes - Qualifying Score Required for all Prizes in Regular Classes. 'Dog' means either sex. A dark green rosette will be awarded to each dog earning a Qualifying Score. Bitches in season shall not be eligible to participate. Refund of entry fees will be made for bitches in season after the closing of entries only with a veterinarian's certification of the bitch being in season and there will a \$10.00 secretarial fee per trial deducted from the refund. Winning of first place in an Open Class at this show may qualify or count toward qualification for entry in certain future limited Junior Showmanship Classes. For information on eligibility requirements for limited Junior Showmanship Classes which have been approved to date by AKC, check online at www.akc.org

Junior Handler's must include their AKC Junior Handler identification number on the entry blank. You may obtain your number by calling the AKC (919) 233-9767. All information for Junior Showmanship Classes must be entered on the front and back of the entry form.
