### Non-Regular Classes Involving Multiple Dog Entries

**Stud Dog Class** - Will be for Stud Dogs and two of their get. Stud dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. Owner of Stud Dog need not necessarily be owner of the Get. Get only to be judged, based on the merits of the Get. Although the merits of the Stud Dog are not to be considered in the placement of the entry, the stud dog must be examined to determine if it has any condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for the breed. Get must be entered in a Regular Class, Best of Breed Competition, or some other Non-Regular Class.

**Brood Bitch Class** - Will be for Brood Bitches and two of their Produce. Brood Bitches must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. Owner of Brood Bitch need not necessarily be owner of the Produce. Produce only to be judged, based on the merits of the Produce. Although the merits of the Brood Bitch are not to be considered in the placement of the entry, the brood bitch must be examined to determine if it has any condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for the breed. Produce must be entered in a Regular Class, Best of Breed Competition, or some other Non-Regular Class.

**Brace Class** - The two dogs with identical ownership comprising a brace must be named at the time of the entry, only a single entry fee for the brace class is required. If a dog, which is to be part of a brace, is not entered in a single-class entry, it must be entered for "Brace Class Only" for a fee of \$30.00. In making entries for "Brace Class Only" full particulars must be given for each dog on individual regular entry forms. An entry form for each dog entered in another class and entered as part of a brace must be marked accordingly in the space provided for Additional Classes as "Brace Class". If more than one brace is entered by the same owner, the dogs comprising EACH brace must be designated, Brace No. 1, Brace No. 2, etc.

**Team** - The four dogs with identical ownership comprising a team must be named at the time of the entry, only a single entry fee for the team class is required. If a dog, which is to be part of a team, is not entered in a single-class entry, it must be entered for "Team Class Only" for a fee of \$30.00. In making entries for "Team Class Only" full particulars must be given for each dog on individual regular entry forms. An entry form for each dog entered in another class and entered as part of a team must be made accordingly in the space provided for Additional Classes as "Team Class". If more than one team is entered by the same owner, the dogs accompanying EACH team must be designated, Team No. 1, Team No. 2, etc.

**Pack Class (National Specialty Only)** - Entry fee is \$30.00 per pack. The pack consists of an entry of at least 6 dogs that are all bred, co-bred, owned or co-owned by the exhibitor. The entry is made in the name of the kennel represented by the dogs as well as the exhibitor's name(s). The dogs are brought into the ring by up to 2 handlers, one of which must be the named exhibitor. The dogs will be judged on a point system with 120 being the maximum. Half the points (60) are allotted for how well the pack corresponds to breed type, and the other half (60) are allotted on size (30) and color (30) of the whole. The dogs are judged as a pack rather than as individuals; they are judged on type, size and color as a whole, they are not gaited. All dogs judged in the pack class must be entered in the regular classes. The judges shall choose one winner. An entry form for a dog entered in another class and entered as part of a pack must be marked accordingly in the space provided for Additional Classes. "Pack Class". If more than one pack is entered by the same owner, the dogs comprising each pack must be designated "Pack No. 1, Pack No. 2", etc.

**Three Generation Pedigree Class (National Specialty Only)** Entry fee is \$30.00 per unit. Each entry will consist of 3 specified PBGVs, dogs and/or bitches from 3 different generations, e.g. sire daughter grandson, in any combination as long as they are direct descendants. The 3 generations need not be consecutive. All 3 dogs must be bred, co bred, owned or co owned by the exhibitor. All three will be listed in the catalog. The entry is judged as a unit, with no one outstanding individual outweighing the quality of the others. All are judged on how well they represent the ideal of the breed standard, quality and consistency. The quality of each generation should meet or exceed that of the previous generation. The judge shall choose one winner.

All dogs entered in the Three-Generation Pedigree Class except the grandsire and/or granddam **must be entered** in another Regular or Non-Regular class at the show. If the grandsire and/or granddam are representing another Generations Class either as a Sire or Dam, then the grandsire and/or granddam **MUST BE ENTERED** in another Regular or Non-Regular class at this show.

**NOTE:** *As the judge's decision in the Stud Dog, Brood Bitch, Brace, Team, Pack or Three Generations Pedigree Classes is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged First in the class will be eligible to compete for Best of Breed by virtue of having won this class.*

**NOTE:** *Accordion gating or similar perimeter fencing will be used.*

**NOTE:** *The Show Chairman, Judges Hospitality and Transportation Chairs may have a dog entered in conformation but it must be shown by someone else. These people may enter & show in any of the companion or performance events (obedience, rally, agility, etc.)*

## THURSDAY ADDED ATTRACTIONS

**Ring Psychology** -: Limited Opportunity - Brenda is offering a 20 minute private session to improve your ring performance. The sessions will be on Wednesday and Thursday and will be \$40.00. Space is limited. To attend, sign up on Club's website. Questions: contact Kristina Kriek at [kriekside@gmail.com](mailto:kriekside@gmail.com).

**Seminar details** - The philosophy behind the mental skills seminar is people are not born with the perfect mental skills for the ring. This is similar to the fact that dogs are not born knowing how to heel. Ring nerves can be overcome with practice! The seminar will include what competition is and why we can experience ring nerves, psychological skills training, ways to reduce stress and anxiety, imagery, and if time allows, goal setting.

**Champions of the Heart Parade** – This is your opportunity to put your special PBGV in the limelight with a tribute. Send a write-up of 100 words or less telling everyone why your PBGV is the champion of your heart. Each nominated dog will get to parade around the ring while your tribute is read for the crowd. **Fee is \$15.00.** *Sign up on the website.*

**Top Twenty Invitational** – The Top Twenty Invitational showcases a select group of dogs, which have excelled in conformation. Standings are based on the show record of the previous calendar year as based on AKC year-end statistics.

Rosettes for all participants \* Memento for all who attend \* People's Choice Award  
Formal or business attire \* Fun and educational event for all

**To attend, sign up on Club's website.**

## FRIDAY HEALTH TESTS & SEMINARS

**Nose Work Seminar and Sniff & Go Match** - At the 2018 National held in Reno, Nevada PBGVCA will be offering a "Getting Started in Nose Work" seminar followed by a Sniff & Go Match. Presenter Janna Moritz is the owner and head trainer of Fur and Feather Works in Reno. She has over 15 years of professional experience working with dogs, cats, parrots and other small animals using positive reinforcement training. She is certified by the National Association of Canine Scent Work to teach and judge Nose Work trials.

She will be showing you how to get your PBGVs started in the exciting world of Nose Work or as AKC calls it Scent Work. We will have working spots for 6 lucky dogs to try their nose at this new AKC canine sport during the seminar. There will be a small \$10 fee for the seminar and the working spots will be an additional \$10.

You may say my dog is too old, has physical limitations, is fearful or reactive to other dogs, has too much energy or lacks enough obedience necessary to practice and compete in other dog activities. Then you definitely need to come to this seminar and you will see and hear how Nose Work is designed to be accessible to virtually any dog.

The **Sniff & Go Match** will be held immediately following the seminar. It will include a container search where all dogs entered will search for the container with the scent of birch. Then all dogs entered in the interior search will start their search also with the scent of birch. There will be a charge of \$10 for each search. If your dog does not find the scent in the required time you will be given the opportunity to help your dog find it so they will end their search being successful.

**Population Health and Reproduction** - Dr. Bannasch - An accomplished veterinary geneticist, Danika Bannasch DVM PhD focuses her research on the identification of the molecular causes of inherited diseases in dogs and horses. Her laboratory has identified the DNA changes responsible for Lethal White Foal Syndrome, Hereditary Equine Regional Dermal Asthenia, Hyperuricosuria, Alaskan Husky Encephalopathy, Cleft palate, Cleft lip and palate, Spinal Dysraphism, Glioma susceptibility, chondrodystrophy and Saluki Spongiosis. Important research findings have also led to animal models used for similar human diseases. By studying naturally occurring diseases in animals, the Bannasch Laboratory is discovering a triad of significant advances: the development of diagnostic tests to aid animal breeders; the identification of novel genes and pathways as candidates for human disease; and an understanding of basic molecular mechanisms of disease.

**Parent Club Approved Mentor** - There will be a program for those interested in becoming a Parent Club Approved Mentor. Anyone interested in being a mentor or a presenter for this program, please contact Kitty Steidel at [ksteidel@aol.com](mailto:ksteidel@aol.com) (no charge)

**CGC and Advance CGC** - evaluator to be announced. Must include registered and call name and registration number on reservation. Fee is \$15.00. **Sign up on the Club's website**

**Mark Dunn**, Senior VP, Registration & Customer Development, AKC: *AKC Registration Stats: Using Data to Understand the Vulnerability of Specific Breeds.*

**Blood Donation for DNA:** A veterinary technician will be available to collect blood samples from dogs. Owners must pre-register dogs and fill out in advance a CHIC DNA Repository Health Survey, available on the club website. There is no charge for this clinic. DNA samples from our past donation clinics have benefited research in idiopathic epilepsy and played a part in the recent development of the genetic test for Primary Open Angle Glaucoma in PBGVs.
