All Events are at the – Eastern Missouri Beagle Club, 257 Tagg Road, Troy, MO

(Use Silex, MO for Mapquest) GPS Coordinates: N39.05453xW 91.06575

DIRECTIONS FROM INTERSTATE 70: Take Route 61 North. Go North for about 15 miles. Exit at Route 47 West. Go about 2.3 miles and turn right onto Highway H. Go about 7 miles on Highway H. Turn left onto Tagg Road (gravel road) just before the sign advertising the Kinion Cemetery. Take the gravel road about a mile to the stone house with silver silos and follow the road to the right for about another half mile. This road ends at the gate to the Eastern Missouri Beagle Club.

Come join us at the Eastern Missouri Beagle Club north of St. Louis and watch your PBGVs search for rabbits on EMBC's two hunt fields with dog-proofed fencing. Enjoy practice time and mentoring in the fields on Sunday followed by two days of hunt tests with your PBGVs. All AKC registered PBGVs are welcome, including those with ILP/PAL listings.

A complete copy of the PBGVCA Rules and Regulations with desirable qualities and faulty actions in hunting PBGVs can be viewed at www.pbgv.org.

Dogs entered individually will be placed in packs by the Hunt Secretary.

READ THE FOLLOWING INFORMATION CAREFULLY.

Entries for this hunt are limited and will open on Wednesday, March 16, 2022, at 8:00 am and will close at 5:00 pm, Wednesday, April 6, 2022. Entries postmarked before Wednesday, March 16, 2022, or postmarked after Wednesday, April 6, 2022, shall be considered invalid entries and shall be returned as soon as possible. There are ten hours of run time available. Stakes offered each day will be as follows: 12 pack stakes, 3 brace stake, 3 solo stake, and 4 HIT pack. Entries will be awarded first come, first served based on postal cancellation date. If 1 or more stakes are not completely filled, the Event Committee reserves the right to increase the entry limits on 1 or more of the other stakes based on entries submitted. The Event Committee reserves the right to increase the number of stakes offered, or adjust the schedule, to accommodate additional entries. Entries over the limit are not guaranteed runs. Entries are further limited to 1 run per dog per day. If more entries are received (based on postmark date) than can be accommodated, entries will be determined as follows: First, by postmark date; second, one or more draws may take place by postmark date to eliminate runs, in the following order: solo runs; then brace runs, then pack runs; starting with handler/households with the highest number of runs, then the handler/households with the next highest number of runs, etc. If

one of your runs is eliminated, you will be given the option of adjusting your other entries so the affected dog(s) can still run. Packs and braces made up of dogs from more than one handler will be categorized based on the handler(s) with the fewest runs. Handler/households with multiple entries may attach a letter to the Secretaries indicating preferred priority for runs in the event that an elimination draw is required. A handler/household is defined as an individual owner of a dog or members of a household with shared ownership of dogs. A wait list will be created based on postmark date and the run elimination scheme. If not moved off the wait list, a full refund will be made.

Weather in May in Missouri is unpredictable. The event will be held in heat, rain, snow, and cold, so long as it is not deemed unsafe or unjudgable by the event committee. Individual runs may be postponed in the event of unsafe conditions or conditions that make judging impossible. If the entire event is postponed, entrants will be given refunds of entry fees.

Walking sticks and canes will be allowed on the field (using discretion around any hounds that are sensitive to them).

- Refunds for entry fees and prepaid meals will be allowed prior to closing date with written or email notification to the Hunt Secretary.
- No refunds after closing date, except Bitch-In-Season with a veterinarian statement unless the entry can be replaced by a wait-listed entry.
- A refund of entry fees and prepaid meals will be allowed for BIS (not for other PBGVs entered by the entrant, or for pack or brace mates) after closing date with a veterinarian statement.
- Entries that can't be accommodated due to stakes being full will be returned as soon as possible after closing date.
- Grounds will open at 10 am for practice on Sunday and close at sunset.
- The field will be open after tests are completed on Monday and Tuesday depending on available time.

PBGVCA Hunt Tests Offered

Hunting Instinct Test (HIT)—This test is open to all PBGVs 6 months and older registered with AKC. Hunting Instinct Certified (HC) will be granted by the PBGVCA to any PBGV passing the HIT. A PBGV may not be entered in the Hunt Test until it has passed the HIT.

Hunt Test—This test is open to any PBGV who has passed a PBGVCA Hunting Instinct Test, or received an equivalent qualification by an established hound association. The hunt test includes Pack, Brace, and Solo stakes. All qualifying scores must be applied towards an appropriate hunt title for which a prerequisite has been earned. High qualifying scores may not be saved for advanced titles. For a description of the PBGVCA Hunt Test Title Requirements, see final page of this catalog.

Non Regular Classes offered (Sunday 5/1 only)

Puppy Learning Experience (PLE)—for PBGV puppies 3-6 months old. This experience includes presentation of information about exposing puppies to hunt field conditions, how to get puppies to go in cover, how scent works in the field, relevant information about rabbit behavior, and how to work with puppies at home to improve hunt skills. Puppies will be exposed to a live rabbit if one is available.

Novice Learning Experience (NLE)—for PBGVs 6 months and older who have not passed a Hunting Instinct Test. The same material will be covered as in the PLE but more time will be spent in the field with an experienced dog providing guided hunting experience for the novice dogs.

Entry Fees

Hunting Instinct Test	\$20.00
Pack Stake	\$25.00
Brace Stake	\$37.50 per dog
Solo Stake	\$75.00
PLE/NLE	\$15.00
Move up from HIT	\$ 5.00

Move up from HIT is offered for dogs who pass the HIT on the first day of the test, or at a previous test held after the entry closing date for this test, if space is available to add an additional pack stake entry on the following day.

COVID PROTOCOLS:

The event will require compliance with all protocols required by the AKC, and federal, state or local governments. This may include requiring face masks. The Event Committee reserves the right to impose more stringent protocols for the event such as masking and distancing. Bring enough masks for the entire event. Requirements will be provided to all participants prior to and at the event.

You agree to comply with all of AKC's and the Event Committee's COVID-19 Safety Protocols.

A Waiver and COVID-19 Self-Declaration form will be required to be completed and turned in the first time you arrive at the event. Check in at the clubhouse when you arrive.

All information is subject to change at the discretion of the American Kennel Club and the Event Committee.

Important Notices to Handlers

All entered handlers and hounds must be present on the field for the roll call and draw at the start of the day. Hounds not checked in will be marked absent. Hunt Tests Stakes and Hunting Instinct Tests will be included in the same draw.

Hounds entered individually (not in pre-arranged packs) will be assigned to packs by the secretary prior to the draw. Judges for each run will be assigned by hunt officials once the draw is complete.

Field Marshal sign up will occur once the draw is complete. Please volunteer to marshal—it's a great way to help the club and also gives you a chance to watch the dogs hunt up close.

Handlers should have their dogs ready prior to their scheduled run time—be mindful that the previous run might finish early.

Don't miss the fun-filled Raffle and Auction. The raffle and auction will be held Monday at dinner after the last run. Please plan on bringing your item(s) to the hunt on Sunday. Proceeds raised will be used first to defer the cost of the hunt trial, and excess proceeds will be donated to a cause or causes voted on by participants at the event.

ADDITIONAL NOTICES

- Alcoholic beverages are permitted in the RV and parking area and in the Eastern Missouri Beagle Club but not the hunt fields. Discretion in consumption is required. No smoking in the clubhouse.
- Safety of the dogs is our primary concern. Areas used for the Hunt Tests will be totally fenced.
- In consideration of others, you will be expected to clean up after your dog outside of the fenced hunt fields.
- HIT packs will be made up by the Hunt Secretary and may include an experienced dog running "for exhibition only" if possible
- You **MUST** indicate any issues for individual pack entries (i.e., can't run with other males, can't run with intact females) on your entry form. You are responsible for your failure to do so. Reasonable efforts will be made to accommodate such issues, but accommodations are not guaranteed. If an accommodation is not possible, you are responsible for determining whether your dog should run.
- Handlers are requested to be responsible for bitches in season, including segregation from entered dogs and common areas. You are requested to not bring bitches known to be in season if possible.
- Individually entered dogs may be added to pre-arranged packs with the agreement of all affected handlers.
- All handlers will be expected to marshal runs during the weekend. Marshals will be assigned immediately following the draw.

No dogs, other than PBGVs, in the fenced hunt fields at any time.

**ENTRIES OPEN ON MARCH 16, 2022, and CLOSE ON
APRIL 6, 2022.**

THERE WILL BE NO SAME DAY ENTRY.

Awards: Each dog that qualifies in a run on Monday will receive an embroidered patch with the 2022 National Hunt logo. Each dog that qualifies on Tuesday will receive a magnet with the 2022 National Hunt logo. Each dog that qualifies will be offered a rosette or ribbon.

Food:

The Event Committee will provide water and light snacks at the clubhouse on Sunday, Monday and Tuesday. Soda will be available for purchase. Monday and Tuesday breakfasts and lunches will be prepared and served by the Eastern Missouri Beagle Club for \$6 per breakfast and \$8 per lunch. Sunday breakfast, lunch and dinner, and Tuesday dinner, are on your own.

The National Hunt Banquet will be a group dinner catered to the Beagle Club clubhouse on Monday evening. Cost will be \$15. Catering will be by Monty's Bar B Que, with pie for dessert. Order your Monday dinner on the summary sheet. The Hunt Raffle Draw and Auction will follow the dinner.

(Please make sure to thank our hosts from the Eastern Missouri Beagle Club as you go through the food line! We are very grateful for their hospitality!)

Accommodations:

AREA MOTELS:

The beagle club is 59 miles, or 1 hours and 8 minutes, from the National Specialty hotel, according to Google Maps. The hotel has a block of rooms for those who are going to the National Hunt. The rate is \$124 per night. There is a one time \$25 pet fee (which might be waived – that is not certain). Make reservations by calling the hotel at (314) 821-6600 and ask for a room in the PBGVCA Club of America block.

Unfortunately, Troy Missouri is not a very pet friendly hotel area. There are hotels in Troy but, in the past, they have **NOT** accepted dogs staying in the rooms except one:

The Troy Inn & Suites (formally Motel 6), 14 Frenchman's Bluff Road, Troy, MO Phone: 636-528-5125, 20 minutes from the hunt field, **accepts dogs** with a daily deposit. Other dog clubs have not had any acceptable reviews for this hotel while it was owned by Motel 6. It is under new management at the present time. A room was viewed, and it was very spartan but clean.

Super 8 Motel 28 Turnbull Trail, US Hwy 61, Exit 47, Troy, MO Phone: 636-385-5331 but, unfortunately, they do **NOT** accept dogs in their rooms. They have a sister Super 8 in Bowling Green, MO (38 minutes north on US Hwy 61) 573-324-6000 that does accept dogs.

Super 8 in Warrenton, MO, accepts dogs. They have at least 8 pet-friendly rooms. \$65 per night plus tax. \$40 refundable pet deposit. The Manager (Jay) indicated they charge \$20 per dog per night. Jay has agreed to accept up to 5 of our dogs per room (2 is the normal policy). 1429 North Service Road East, Warrenton, MO, 63383 (36 minutes southwest). 636-456-5157.

Wentzville and O'Fallon, MO are much larger towns with more motels to offer. They are about 20 miles (40 minutes) south of the field trial grounds off Interstate 70:

Holiday Inn Express & Suites, 1100 Lodora Dr, Wentzville, MO 63385 (36 minutes south of hunt field), 636-887-2700. Very nice hotel, more expensive, accepts dogs. There is a block of 10 rooms under the event name Petit Basset Griffon Vendéen (PBGV). Rate of \$149 per night plus tax. There is a \$20 dog fee per dog per night. They will accept at least 2 dogs per room – contact the hotel to confirm more than 2 dogs per room will be allowed. The block will be released April 1. Please email btoenjes@gmail.com for the link to reserve rooms in this block (the link was not available at the time of publication of the premium).

Super 8, 987 West Terra Lane, O'Fallon, MO (40 minutes) 636-272-7272. Call the hotel directly – they have a block of 10 rooms under the name "PBGV Club." \$15 fee per dog per night, limit of 2 dogs per room.

There are other hotels in the Wentzville and O'Fallon area: too many to list but here are a few that have accepted dogs in the past. Please check with them regarding their current dog policies.

Hampton Inn, Phone: 636-445-3780

Budget Inn, Phone: 636-639-1987

Knights Inn, 636-327-5515

Please note: **THE ABOVE ARE LISTED FOR YOUR CONVENIENCE. PLEASE VERIFY LOCATIONS AND DIRECTIONS TO THE HOTEL AND IF THEY ALLOW PETS. PLEASE CLEAN UP AFTER YOUR DOGS, BE COURTEOUS AND DO NOT LEAVE DOGS UNATTENDED IN THE ROOMS**

RV PARKING AND CAMPING:

RV parking and trailer and tent camping is available at EMBC grounds Sunday morning through Wednesday morning. **NO ENTRANCE TO GROUNDS BEFORE 9:00 am on Sunday, May 1.** The clubhouse is air-conditioned and has a shower and two restrooms. Water is available to fill tanks but water hookups are not available at individual sites. There is no RV dump site on the grounds.

Tent camping charge is \$12/night. RV or trailer camping is \$35/night with electrical hookup as available. There are 6 poles with 30 amp service. There are 16 outlets with 20 amp service. Bring extension cords. Inside shower and toilets available. **Judges and working club members will have first rights to electrical hookups.**

RV RENTALS:

M.B. Thomas RV Sales in St Louis does RV rental, including trailers, Class C, and Class A RVs. They are on the south side of St. Louis so delivery of a trailer is probably not an option. See their web site: <https://mbthomasrvsales.com/rent-a-rv> 800-392-5655

There are several individuals or small companies in the St. Louis area that rent one or two RVs that can be found with a Google search of "RV rental St. Louis", and there are a number of RVs for rent on www.outdoorsy.com or rvshare.com from individuals. You will need to negotiate whether they will deliver and set up, or allow dogs.

If you are planning on camping, make your camping reservation early (preferably before entries open) by contacting Bruce Toenjes Phone 319-404-4871 or e-mail btoenjes@gmail.com and note your plans on the summary sheet.

Camping is also available at Cuivre River State Park. <https://www.mostateparks.com/park/cuivre-river-state-park>

We bought our cartridges from Gun Dog Supply—they were kind enough to give us four \$25 gift cards to include in our raffle. If you need hunt collars or GPS collars, think Gun Dog Supply!

Hello Fellow PBGV Hunters!

My name is Shea Braune and I'll be taking the start of run pictures and candid shots. Weather permitting, I'll be going out with each run. Between the two days, I should be able to go out with all the dogs entered. After the hunt, I'll be editing and uploading the pictures to my website, The Golden Hound www.thegoldenhound.com for purchase. As soon as the pictures are uploaded, I'll let the PBGVCA know so they can send out an email blast. I'll also post on The Golden Hound Facebook page when they're uploaded.

I'm also happy to take any posed pictures, both of you and your best friend, or just your best friend. I find that hunt fields are a great natural backdrop!

(Who needs words when you look this excited about hunting?)

Tiffany Cannon

I acquired my first PBGV in 2006 becoming a PBGVCA member in 2007. Primarily involved in conformation, I attended my first official hunt in 2018 and fell in love with watching these scruffy hounds awaken to their ancestry. As a breeder, I gained a new appreciation for understanding why the standard is written as it is and try to hunt as many of my hounds as possible. To date, 20 PBGVs we have owned or bred have passed their HIT, many having already achieved further titles.

Tony Childs

I've been involved with PBGVs since we got our first one back in 2011! While my wife, Beverly, participates in Confirmation shows (and I serve as her "Dog Show Roadie!") I've always enjoyed participating in the Hunts. Our first Peeb was ZZ TuX and it took a couple of learning years on my part, but we were finally able to earn his Parent Club Junior Hunter title in 2013. Since 2012, I have enjoyed watching the dogs in the field and hearing the change in their voice when they pick up the scent the first time! For about 5 years, I would help marshalling at the hunts and finally, in 2018, I became a certified Hunt Judge. You'll never forget the day the "switch is turned on" as your hound becomes a true hunter! Our 4 year old bitch, Willett, has her Parent Club Master Hunter title and we are now working toward her Rabbit Hunter title. Come join the fun!

Coady Egan

Coady has been participating in PBGVCA Hunt Tests since 2014. She is the Executive Assistant for the AKC Canine Health Foundation, and also a Customer Care Representative at a local VCA Animal Hospital. Coady competes in Rally, Obedience, Conformation, Hunting, and FastCAT, and her dogs also dabble in a number of other sports. Coady owns two PBGVs - Rowan and Aurora - and has been a PBGV owner since 2007.

Lora Megli

I have been an active PBGVCA member for more than 10 years. As a member I served on the board for six years, chaired the 2019 National Specialty, been obedience chair for multiple nationals. I also started the PBGVCA hunts in Texas. I have been hunt secretary and currently act as hunt chair for the Texas hunts. I have been a PBGV hunt judge for six years. In the past I have competed in Obedience, Rally and Agility with PBGV's. Currently I compete in Scent Work and hunt. I love seeing dogs do what they are bred to do, and I don't think I will ever get tired of watching PBGV's in the field! Best of luck to all dogs and handlers, hopefully we see lots of bunnies!

Teri King

Dogs have been in my life it seems, FOREVER! I started hunting with my dad as a youngster. One of my fondness memories was heading to the farm, my dad slamming on the breaks, jumping from the station wagon, shooting a bird and sending our black lab to retrieve. While I grew up hunting with sporting dogs my attraction to the PBGVs began as soon as I had my first in 2017. Hunting was in my blood which prompted me to become a judge. PBGVs sounding off in the field is music to my ears. I have several PBGVs and all except one (he's still a baby) has at least one hunt title. I hope all qualify at the National hunt and at least have an awesome time!

Nick Reading

Nick has had dogs all of his life. He became involved with PBGV's in 2009. He is a member of PBGVCA. Nick obtained his judging certificate in 2013 and judges when and wherever possible. He currently has six Peebs- CH Margeau RHX7, CH Camille RHX6, Goliard RHX2 (Retired), CH Jenette PCSHX and Jeni's pups Shiner PCSH and Lillie PCSH. Nick and his wife of 44 years, Pat (also a dog person) live in Schuylkill Haven, PA. In addition to dogs, Nick, a welder by trade is an avid woodworker and musician. He performs on a variety of woodwinds in various groups in his locale. "I am looking forward to judging some great dogs at EMBC. Hopefully there will be some come out for the first time to enjoy the thrill of the hunt both for the dogs and the handlers."

Bruce Toenjes

I live in Shell Rock, Iowa, with my wife Elaina (Laney), who is the Hunt Secretary for the National Hunt. We have two grown children who are married, and three grandchildren.

We have three PBGVs: Bijou, 12, Gemme, 7, and Thor, 1.

We first hunted with Bijou in 2011 at the Wisconsin Rapids Hunt. It is my favorite field, and we have been back every year but one.

By 2013, we got serious about improving our Hunt tests. We joined the Willowa Beagle Club in Platteville Wisconsin, so we could have a place to practice with our pack-mates. Starting in 2013, we entered every PBGV hunt test we could with our pack-mates and friends. Laney and I both became Hunt judges. We have hunted and judged at every venue except New Jersey. We started new Hunt Tests at the Willowa Beagle Club and in 2017 we helped get the Texas hunt program started by serving as the Chair and judging the first Texas hunt, and mentoring new judges.

I am a member of the Board of Directors of the PBGVCA, and I am also a member of the Waterloo Kennel Club, our local all-breed club.

Vickie Willmann

I started hunting at the first Wisconsin hunt test in 2007 and have three dogs with over 100 qualifying scores each. I have owned 10 PBGVs who have earned hunt titles with several more very close to their titles. I started judging over 10 years ago and have judged at over 80 hunts. I chair the Wisconsin Hunt Tests in the fall and also have chaired Indiana hunts at two different locations. I serve on the PBGVCA Hunt Committee. As you can tell hunting is something I enjoy very much. I love to help newcomers get into hunting with their PBGVs.

SUMMARY OF RULES AND REGULATIONS for PBGVCA Hunting Tests

For complete rules, see the PBGVCA website [Hunt Test Rules](#)

Hunting Tests shall be open to all AKC registered or ILP/PAL registered Petit Basset Griffon Vendéen's of six months of age or over on the first day of the event. Spayed or neutered hounds are eligible for entry.

No person acting in the capacity of Hunting Tests Secretary may judge at the event for which that person is acting as Hunting Tests Secretary.

Any dog may be entered in a hunt test stake for which it is eligible, however, it must be noted on the supplementary entry form, if an advertised judge, alternate judge or any member of their family has owned, sold, held under license, boarded, trained or handled the dog within one year of the starting date of the Hunt Test, as this person may not judge the hound.

For purposes of this Section, the words "any member of his family" shall include a spouse, a sibling, a parent or a child, whether natural or adopted, of the Judge in question, but shall not extend to other blood or legal relationships.

At the conclusion of the judging for each test, the club shall provide, for the Judges' signatures, the Hunting Test Score Sheets for each pack judged, showing full particulars of all dogs judged.

Titles are awarded based on application to PBGVCA as defined in the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.

Purpose: The purpose of Hunting Tests for Petit Basset Griffon Vendéens is to afford an opportunity to demonstrate an individual hound's ability to perform in a manner consistent with the demands of actual hunting conditions. Testing in this manner is to gauge the hounds hunting ability, desirable qualities that indicate ability to be effective and efficient in the pursuit of quarry.

Time and Running Order: Running order will be assigned by public "Draw" before the beginning of each test.

Packs may be mixed sexes. Bitches in season may not be on the test field. Fees will be refunded for bitches that come in season after the closing date or a substitution may be made.

No hounds shall be put down after 30 minutes following official sunset. The Hunting Test Committee and the Judges shall be responsible for enforcement of this Procedure.

Marshals: It shall be the duty of one Marshal to assist the Judges and to carry out their instructions, including regulating and controlling the gallery & seeing to it that the gallery is kept separate from and behind the Judges, and that no one in the gallery talks to the Judges while the dogs are down. Other Marshals shall see to it that hounds are ready when called, and assist the Hunting Test Committee in all other matters necessary for the smooth and expeditious running of each Test.

Gallery: No person shall make any remarks nor give any information which might affect the actions of the persons handling the hounds or the running of the hounds unless information is specifically requested by the Judges. Any person so offending may be expelled from the running grounds on orders from the Judges, and points of merit shall not be allowed any hound whose handler acts upon such information. The Judges must be informed of any such misconduct before the close of the running of the hound(s) in which it occurs, and their decision shall be final.

Handlers: When hounds are cast, a handler may speak, whistle, sound a horn to his hound or work in any way he may deem proper, if not contrary to these Procedures, unless otherwise instructed by the Judges. Hounds must show reasonable obedience to their handler's commands.

Each hound under judgment must wear a different colored hunt collar or stretch band for easy identification by the Judges. The Judges' evaluation forms will have this collar color and the handler's number. (Personal collars worn in addition to the colored hunt collar or stretch band must have a fixed circumference with no hanging tags.)

No owner or handler shall have any right to question or refuse to follow the Judges' orders.

Owners and handlers must keep themselves informed as to the running order and progress of the judging and must be ready within hailing distance when their hounds are called by the Marshal on instruction from the Judges.

Severe Training or Correction: The Hunting Test Committee and the Judges shall not permit severe disciplining of hounds on any part of the grounds. The Committee shall investigate any reports of such conduct or of any other conduct prejudicial to the best interests of purebred dogs, PBGVCA Hunt Tests, or the American Kennel Club, according to Chapter 6, Section 5 of the Petit Basset Griffon Vendéen Hunt Tests Rules and Standard Procedures.
