President's Message

Hello and welcome back to St. Louis for the 2022 Regional/National Specialty. We were last here in 2010. I am hoping for no tornado warning this year. Being from California that was a new adventure for me. Thankfully, we didn't have to shelter in place in the hallways of the hotel for too long and all was ok.

Huge thanks to show chair, Tammy Hensley, assistant chair, Lora Megli, and the committee for all their hard work to make this show successful. I know it is lots of work and am grateful for your time and support of the club.

The Top 20 event put on by Sue Smyth and Beverly Childs has grown in popularity each year. Thank you, Sue and Beverly, for your dedication and making this event fun for everyone.

Tally-Ho! this year I have the time to attend the hunt and look forward to watching our breed do what they were bred to do. I know Bruce Toenjes and the hunt committee will put on a great event.

I am thankful for the wonderful members willing to give up their time to make these shows happen. It is a busy but hopefully fun week for all. The club is still looking for a chair and location for 2024. If you have any interest or suggestions, please let me know.

Coming together once a year to enjoy our PBGVs and our friends is truly special. I will never take that for granted as you never know what our future holds. I have made lasting and truly wonderful friends through this breed and club. Let's go into this week remembering that we are a family of PBGV lovers and like our breed, let's be happy, funny and just enjoy each other's company.

Susannah Cooper
President, PBGVCA

MEET OUR JUDGES

Jim Comunale

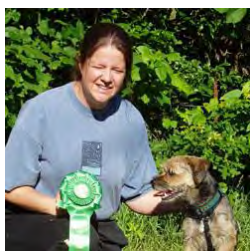

Regional & National Obedience & Rally

I am happy and honored to judge the PBGV National! I wish everyone participating or watching to have a great experience and hopefully great results for those who are participating.

I have been involved in the sport of obedience for over 35 years. During that time, I have been involved as a club member, worker, training director, officer, trial chairman and secretary (as well as a participant) with several clubs. For many years I competed heavily in the sport of obedience, sometimes showing over 40 weekends a year, usually with two dogs in both Open and Utility. Through the years I have put the OTCH title on a number of dogs, including six Golden Retrievers and one Sheltie. I have recently added a Border Collie who has taught me to be very humble! I have also competed in the NOC / Invitational tournament many times (and judged it this year) sometimes with great results, sometimes not! Just participating in such events is always a great thrill and a lot of fun.

In more recent years I have shown less, trained a bit less, and have been judging quite a lot, which I thoroughly enjoy. No matter how much one judges there is always something every weekend to enjoy, be surprised by and sometimes even amazed by! No two shows are ever exactly alike. Hopefully all of you here will have some good combination of enjoyment, surprise and amazement!

There is room in our sport for every level of achievement and every type of goal. Hopefully you'll achieve your goals during your National.

Cathy Echols

National Scent Work

Kathy has been involved with canine scent work since 2011 as a NACSW-Certified NW Instructor. She teaches SW for her training business the Columbia Canine Sports Center and has been judging for AKC since 2017. She regularly competes with her Border Terriers in AKC and NACSW scent work events.

Celeste Gonzalez

Regional Breed/Jr Showmanship/4-6 Puppy

Celeste began showing dogs in 1975, while still in college, with the purchase of her first Basset Hound and began coursing and showing sight hounds with the purchase of her first Saluki the same year. She finished her first champion, a Saluki, in 1976.

Participation in lure field coursing during the infancy and development of ASFA garnered her Salukis their ASFA FCH. One of her owner-trained-handled Salukis also earned a CD in obedience. Salukis remained a part of her life until 1989 and she continues to be active in Basset Hounds to this day as an owner, breeder, and exhibitor.

She continued to show her Bassetts through her college career and began to breed in 1980. Her Jolly Time Hounds kennel has produced numerous Basset show champions from a very small breeding program, including Group and Best in Show winners. Celeste has dabbled in tracking and field work with her Bassetts and is proud of the accomplishments of her dogs that have gone to field trial and pack hunting homes.

Celeste has judged Basset Hound specialties across the United States including the BHCA National Specialty, and judged the Basset Hound Club of Spain national specialty in 2009. In addition, she has judged National and Regional Specialties in other scent hound breeds.

She is approved to judge the Hound and Terrier Groups. Celeste also writes for a monthly canine publication and has translated canine breed books into Spanish.

She maintains a Canine and Equine Fine Arts and Antiques business, Horses and Hounds Through Time, LLC that caters to dog showing, foxhunting, and horse show enthusiasts. In addition, she is a graduate of the University of Florida, where she majored in Animal Science.

Cameron Henson

Regional Puppy & Veteran Sweepstakes

Cam was born in Milwaukee Wisconsin and is currently living in Tucson, AZ. Cam has been grooming and showing dogs in conformation since 2003 when he was just 7 years old. In 2004 he was given his first PBGV, Lisa, who became a champion and began his mother's breeding program. Cam has been a member of the PBGVCA since January 2009. Cam competed in Junior Showmanship for 10 years including at the Westminster Kennel Club multiple times. Cam is completing his Master's in Environmental Science at the

University of Arizona. During his free time, in between shows, Cam enjoys skiing and rock climbing.

Virginia Huxley

Regional Scent Work

Virginia is an Emeritus Professor at the University of Missouri Medical School with an addiction for dogs from training to performance in a variety of venues - especially when it involves the dog's nose. To support these activities, she has become a Certified Nosework Instructor (CNWI) in NACSW, and a CGC Evaluator and Scentwork Judge with AKC and a Barn Hunt judge.

Lisa Potts

Regional & National Agility

Lisa Potts, BS, MBA, CPDT-KA, has been involved in dog sports for nearly 30 years. She is a full time dog trainer, seminar giver and judge. She is also the auditor of the Illinois State Lottery. Lisa has earned hundreds of titles and Championships participating in a wide variety of dog sports including Agility, Obedience, Rally Obedience Canine Good Citizen®, Tricks, Conformation, Herding, Agility and Flyball.

Lisa is a certified dog trainer (CPDT), and is a well-known judge in numerous organizations for agility, rally, obedience, nosework, temperament and CGC. She is a published author with articles in Clean Run Magazine, and has been a speaker at the APDT Conference.

Lisa is honored to be asked to judge the PBGV Specialty! She lives in Springfield, IL with her husband Derek and their 3 poodles.

Susan Smyth

National Puppy & Veteran Sweepstakes

My original breeds are Basset Hounds and PBGVs, although I grew up with Beagles (my grandfather was one of the original founders of the Garden State Beagle Club; I spent many weekends observing their field trials from horseback).

I am a member of the Basset Hound Club of America where I serve as Chair of Public Education, am a member of the Judges Education Committee, and current Chair of the Life Membership Committee (I was recently surprised by being honored with a Life Membership by the Basset Hound Club of America!).

I am a member of the Petit Basset Griffon Vendéen Club of America where I serve as Chair of Public Education, assist with Judges Education, am show chair for the Meadowlands PBGV Club, for PBGVCA, and MidNJ PBGV Association, and I am Secretary of the PBGV Health and Rescue Foundation.

I am past president of Burlington County Kennel Club and Berkshire Valley Basset Hound Club, where I am currently serving as secretary and show chair. I am a member of the Mid New Jersey PBGV Association and am frequently asked to judge PBGV Hunt Tests. I have, also, judged BHCA Hunts that include PBGVs, Basset Hounds, Dachshunds, Beagles and Harriers. My PBs have not only earned their HITs but are also AKC conformation champions.

Patricia Trotter

National Breed/Junior Showmanship/4-6 Puppy

Patricia Trotter acquired her first Norwegian Elkhound as a young girl, entered her in her first show in 1950, and bred her a year later. Since then, she and her Vin-Melca Norwegian Elkhounds have won 11 Group Firsts at Westminster Kennel Club all owner-handled, a record that stands to this day.

When Pat was 11 years old, she started her own grooming business. "I'd knock on the doors of people with dogs with a carton of grooming supplies. For 50 cents I'd wash, groom, de-flea their dog on site and make it look as beautiful as I could!"

She also worked at nearby kennels and veterinarian offices, learning as much as she could about grooming, showing and caring for dogs.

Pat has bred and owner-handled the top sire and dam in Norwegian Elkhound history.

Thirty-nine Vin-Melca Elkhounds have accumulated all-breed BIS honors to date, the latest being CH Vin-Melca's the Jaywalker in February, 2022 with Pat handling.

Pat has won numerous Quaker Oats awards, Pro Plan Hall of Fame, 2 Fido awards, and AKC's Lifetime Achievement Award. Her book, Born to Win has become a bible for dog breeders, and her AKC Gazette column won a Maxwell award from the Dog Writers' Association of America.

Pat handled her own dogs to Top Ten All Breed status on 10 different occasions while she balanced family, dogs, and a full-time job teaching history at Carmel Middle School.

A Brief History of the PBGV Club of America

by Jane Swanson

“Morebess Raymond le Rebelle” was the model for the club logo drawn by Vickie Kwasny. Raymond was from the first litter bred in Denmark by Per Knudsen in 1978. Declared the best show dog Knudsen had ever seen, Raymond won all over Europe, achieved many titles and Best in Shows and sparked demand for the breed in several countries.

Interest in the Petit Basset Griffon Vendéen in the United States was sparked in 1983 when George and Betty Barth entered Alexander, a 90-day-old PBGV puppy they had purchased in Canada less than a week earlier, in the New Jersey “Super Match” sponsored by the Professional Handler and Owner Handler Associations. Entered as a rare breed, Alex ended up winning Best Puppy in Match, and sparks from that one event turned into a wildfire of interest as Alex’s photo and stories about the breed hit the national canine publications.

Kitty Steidel had seen Alex at the match and later saw some PBGVs owned by members of the Basset Hound Club in Denmark. After doing much breed research and speaking to several others who were equally intrigued by the PBGV, it was decided time was ripe to form a club for the breed in the United States. On Nov. 19, 1984, just a shade more than a year after Alex won that match, 17 people from eight states and Canada — Jackie Balog, George and Betty Barth, Sue and Bill Barton, Barbara Cromley, Geraldine Cross, Marc

Delanier, Pat Fellman, Barbara Galbraith, Heidi Martin, Louisa Myers, Mary Jo Shield, Anne Snelling, Kitty Steidel, Sally Sweatt and Barbara Wicklund — met during AKC’s Centennial Celebration in Philadelphia with the intention of forming a national breed club for PBGVs. With a stated mission to protect and promote this rough-coated French hound, the Petit Basset Griffon Vendéen Club of America was formed. Elected officers were Kitty Steidel, president; Barbara Cromley, 1st vice president; George Barth, 2nd vice president; Marc Delanier, secretary; and Bob Booth, treasurer. Bill Barton, Cross, Fellman, Galbraith, Miller and Wicklund were selected as board members. A letter was sent to AKC announcing the club’s intention to seek recognition for the breed.

During its first year, membership increased from those initial few to 50, a standard was devised, a constitution and by-laws were adopted and a national registry and studbook were set up. Four months after that initial meeting, 15 PBGVs competed in the club’s first match held in Kentucky on March 16, 1985. Breed interest continued to soar, especially after ABC television reporter Roger Caras bought a PBGV and took it on “Good Morning America.” By the time the PBGV was accepted to AKC’s Miscellaneous Class on July 1, 1989, club membership had grown to 126 and an annual specialty show was being held. On Aug. 14, 1990, the AKC Board approved the PBGVCA’s bid to register its dogs in the AKC Stud Book beginning Dec. 1, 1990. The breed became the 131st breed to be registered and the 24th member of AKC’s Hound Group, and became eligible to compete for AKC points in February 1991. By then club membership had risen to nearly 200, a number that was almost doubled for the club’s 25th Anniversary Celebration which was held in conjunction with its 2010 national specialty in St. Louis.

By Jane Swanson

AKC PBGV STANDARD

GENERAL APPEARANCE

The Petit Basset Griffon Vendéen is a French scent hound developed first and foremost to hunt small game over the rough and difficult terrain of the Vendéen region. To function efficiently, he must be equipped with certain characteristics. He is bold and vivacious in character; compact, tough and robust in construction. He has an alert outlook, lively bearing and a good voice freely and purposefully used.

The most distinguishing characteristics of this bold hunter are: his rough, unrefined outlines; his proudly carried head displaying definitive long eyebrows, beard, and moustache; his strong, tapered tail carried like a saber, alert and in readiness. Important to breed type is the compact, casual, rather tousled appearance, with no feature exaggerated and his parts in balance.

Any deviation from the ideal described in the standard should be penalized to the extent of the deviation. Structural faults common to all breeds are as undesirable in the PBGV as in any other breed, regardless of whether they are specifically mentioned.

SIZE, PROPORTION, SUBSTANCE

Size – PBGVs measure between 13 and 15 inches at the withers. Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older. **Proportion** - When viewed in profile, the body is somewhat longer than tall when measured from point of shoulder to buttocks, as compared to the height from withers to ground. **Substance** - Strong bone with substance in proportion to overall dog.

Head – The head is carried proudly and, in size, must be in balance with the overall dog. It is longer than its width in a ratio of approximately two to one. A coarse or overly large head is to be penalized.

Expression - alert, friendly and intelligent.

Eyes - large and dark with good pigmentation, somewhat oval in shape, showing no white. The red of the lower eyelid should not show. The eyes are surmounted by long eyebrows, standing forward, but not obscuring the eyes.

Ears - supple, narrow and fine, covered with longhair, folding inward and ending in an oval shape. The leathers reach almost to the end of the nose. They are set on low, below the line of the eyes. An overly long or high-set ear should be penalized.

Skull - domed, oval in shape when viewed from the front. It is well cut away under the eyes and has a well-developed occipital protuberance. Stop clearly defined.

Muzzle – The length of the muzzle from nose to stop is slightly shorter than the length from the stop to occiput. The underjaw is strong and well-developed.

Nose - black and large, with wide nostrils. A somewhat lighter shading is acceptable in lighter colored dogs. A butterfly nose is a fault. **Lips** - The lips are covered by long hair forming a beard and moustache.

Bite - It is preferable that the teeth meet in a scissors bite, but a level bite is acceptable.

NECK, TOPLINE, BODY

Neck –The neck is long and strong, without throatiness, and flows smoothly into the shoulders.

Topline – The back is visibly level from withers to croup. There is a barely perceptible rise over a strong loin. Viewed in profile, the withers and the croup should be equidistant from the ground.

Body muscular, somewhat longer than tall. Compact, casual in appearance, with no feature exaggerated and his parts in balance. Chest rather deep, with prominent sternum. Ribs moderately rounded, extending well back. Loin short, strong, and muscular. There is but little tuck-up.

Tail - of medium length, set on high, it is strong at the base and tapers regularly. It is well furnished with hair, has but a slight curve and is carried proudly like the blade of a saber; normally pointing at about two o'clock. In a curved downward position, the tip of the tail bone should reach no further than the hock joint.

FOREQUARTERS - Shoulders clean and well laid back. Upper arm approximately equal in length to the shoulder blade. Elbows close to the body.

Legs – The length of leg from elbow to ground should be slightly more than half the height from withers to ground. Viewed from the front, it is desirable that the forelegs be straight, but a slight crook is acceptable. In either case, the leg appears straight, is strong and well boned, but never coarse nor weedy. Improperly constructed front assemblies, including poor shoulder placement, short upper arms, out at elbows, lack of angulation and fiddle fronts, are all serious faults. Pasterns strong and slightly sloping. Any tendency to knuckle over is a serious fault. Dewclaws may, or may not, be removed.

Feet - not too long, between hare and cat foot, with hard, tight pads. The nails are strong and short.

HINDQUARTERS - Strong and muscular with good bend of stifle. A well-defined second thigh. Hips wide, thighs well-muscled. Hocks are short and well angulated, perpendicular from hock to ground. Feet are as in front. Except that they must point straight ahead.

COAT - The coat is rough, long without exaggeration and harsh to the touch, with a thick shorter undercoat. It is never silky or woolly. The eyes are surmounted by long eyebrows, standing forward but not obscuring the eyes. The ears are covered by long hair. The lips are covered by long hair forming a beard and moustache. The tail is well furnished with hair. The overall appearance is casual and tousled.

The rough, unrefined outline and tousled appearance of this rustic hunting hound is essential. Any sculpting, clipping, scissoring or shaping of the coat is contrary to PBGV breed type. The PBGV coat should be clean, neatened as necessary, but always remain casually disarrayed. Any deviation from the ideal described here and in the General Appearance Section of the official standard should be penalized to the extent of the deviation.

COLOR - White with any combination of lemon, orange, black, sable, tricolor or grizzle markings, providing easy visibility in the field.

GAIT - The movement should be free at all speeds. Front action is straight and reaching well forward. Going away, the hind legs are parallel and have great drive. Convergence of the front and rear legs towards his center of gravity is proportional to the speed of his movement. Gives the appearance of an active hound, capable of a full day's hunting.

TEMPERAMENT - Confident, happy, extroverted, independent yet willing to please, never timid nor aggressive.

DISQUALIFICATION - Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older.

AKC CODE OF SPORTSMANSHIP

PREFACE: *The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
